Why: To study the Big Book of Alcoholics Anonymous to identify how it relates to us in order to strengthen our program of recovery.

Important Information:

The hotel will provide classroom style seating, which means we have tables and chairs with everyone facing forward. They will provide roomy aisles between rows and a water table with pitchers and glasses.

You will need to bring anything to make yourself comfortable, especially remembering that it is not possible to set the temperature to make everyone happy!

Food will be done on our own and we are not allowed to eat in the ballroom. If you wish to pack a lunch, there are a lot of places outside of the ballroom to eat. There are also many food choices nearby the hotel.

What you need to bring:

1. Things to make yourself comfortable, i.e. sweater, pillow, etc.
2. Your *Big Book of Alcoholics Anonymous*, 4th edition
3. Highlighting markers
4. Pens
5. Journal
